**STRING OF RADIO SHACK
BURGLARIES**

*****Surveillance Footage Available*****

The Fort Lauderdale Police Department is investigating two related business burglaries. The first burglary occurred on Tuesday, August 14th, 2012 at approximately 8:30 A.M., at the Radio Shack located at 971 State Road 84 in the City of Fort Lauderdale. The second burglary occurred on Monday, August 27th, 2012 at approximately 8:00 A.M., at the Radio Shack located at 2741 Davie Boulevard in the City of Fort Lauderdale.

The unknown suspects gained access to the businesses by cutting a hole in the roof. Upon gaining entry into this business, the culprits used a pick axe to pry open cases containing various electronic devices. The suspects were ultimately successful in removing approximately \$40,000 worth of electronic equipment from each business. At both locations investigators recovered the suspects' tools.

The business was equipped with security surveillance videos and captured one of the suspects entering from the roof.

Fort Lauderdale Police Department Burglary Detectives are actively working alongside Detectives in Miami who are also investigating similar incidents within their City.

Detectives are urging anyone with further information regarding the identity of the suspects responsible for these burglaries to contact Detective Todd Hill at 954-828-5567.
