CLICK IT OR TICKET

The Fort Lauderdale Police Department is participating in the National Highway Traffic Safety Administration's "Click it or Ticket Campaign." Every year during the annual Memorial Day Weekend, law enforcement agencies join forces day and night, from coast-to-coast, for an enforcement blitz to help increase the national seat belt usage rate.

This campaign will run from May 20th to June 2nd.

The "Click it or Ticket Campaign," was created to inform the public of the dangers associated with not wearing a seatbelt while operating a motor vehicle. This campaign is the most successful seat belt enforcement campaign ever, helping to increase the national seat belt usage rate.

Seatbelts help save lives and too often occupants of vehicles forget about the impact a seatbelt can make in their own safety.

The Fort Lauderdale Police Department is proud to participate in the National Highway Traffic Safety Administration's "Click it or Ticket Campaign."
