MADD AWARDS
FLPD OFFICER

Mothers Against Drunk Driving held its Annual MADD Florida Law Enforcement Recognition Dinner on Friday, May 3rd. Officers throughout the State were recognized and presented with the award of "Outstanding Dedication to DUI Enforcement for the State of Florida".

Officer Nathan Stoner, who has served the Fort Lauderdale Police Department since 2008, was recognized for this distinct award.

Throughout the last (4) four and a half years, Officer Stoner has been assigned to the Patrol Division. He responds to various calls for service in his assigned area and has a self-driven dedication to combat drunk driving.

His dedication has led to over (100) hundred DUI arrests. Officer Stoner is committed to keeping the streets of this City safe and believes that every DUI that goes undetected is a potential traffic fatality.

Join us in congratulating Officer Nathan Stoner on a job well done!
