**FLPD RECORDS DIVISION:
HOURS OF OPERATION**

The Fort Lauderdale Police Department Records Division will be under construction for renovations beginning Friday, August 30th.

As a result, all 2011 and 2012 files will be sent to an offsite archive center for storage. The archive center only delivers archived reports once a week on Wednesdays.

During this renovation period the operating hours of the Records Division will be temporarily adjusted.

The Records Division will be open to the public on Monday, Tuesday, Thursday, Friday, and Saturday from 8:00 A.M. until 12:00 P.M. and closed on Wednesday and Sunday.

If you have any questions regarding these changes please contact Police Records Supervisor Sharetta DuVall at 954-828-5466.
