NARCOTICS ARREST
AT BEACH PLACE

On December 12, 2013, the City of Fort Lauderdale Nuisance Abatement Board deemed Beach Place, located at 17 South Atlantic Boulevard, as a place of nuisance due to the continued illegal activity on the property, including narcotics activity. Beach Place property owners were presented with recommendations to assist with the improvement of the property. One of the recommendations was to increase the number of uniformed security guards at the complex.

Detectives from the Fort Lauderdale Police Department Special Investigations Division continue conducting operations at Beach Place to address these and other public safety concerns. On one occasion, an undercover Fort Lauderdale Police Department detective successfully purchased cannabis from one of the uniform Navarro Security guards on the Beach Place property.

Subsequently, on March 27th at approximately 12:15 A.M., detectives arrested this individual and charged him with one (1) count of Delivery of Cannabis.

The security guard has been identified as Jeffrey Steve Mincy, B/M, 06/05/91, a City of Fort Lauderdale resident.
