HAS BEEN LOCATED**

ORIGINAL RELEASE:

On July 2, 2008 at approximately 9:40 PM the Fort Lauderdale Police Department received a report of a missing juvenile boy from 1537 Northwest 1 Avenue.

Preliminary investigation has revealed that the ten-year-old child was last seen on July 2, 2008 from the residence. He had just returned home from playing basketball at a local park. The child has never runaway in the past and is currently residing with a caretaker. The child's name is Luc Saintil, 04/20/1998, B/M, 5'3", and 130 pounds. He was last seen wearing a blue shirt and blue jean pants.

An extensive perimeter was established and a grid search was done for hours with negative results. While the door-to-door grid search was occurring, air support was also utilized. That also proved to be unsuccessful in locating the Saintil. The police department has notified a child is missing and has utilized a reverse 911 callback to city residents.

The caretaker was unable to provide a photograph of the child. We urge anyone with information on the whereabouts of Luc Saintil to contact the Fort Lauderdale Police Department at 954-828-5700.
